

Central Coast Caravanners Inc.

Information for Prospective Members

(January 2013)

What is the club about?

It was founded in 1993 aiming to promote caravanning as a safe and rewarding recreational activity and to foster lasting friendships through participation in social activities.

What do members do?

Members enjoy the company of other likeminded people when touring in their caravans or simply enjoying a few days in one location. They hold monthly meetings, organise and attend a variety of caravan outings and hold social events including picnics and club lunches

How big is the club?

Membership is limited to 65 vans, i.e. about 130 members.

Who can apply to join the club?

Permanent residents of Gosford or Wyong Council areas who own a registered caravan, camper van, camper trailer or motor home, and have enough time to attend at least 2 organised trips per year plus the monthly meetings.

What do I have to do to join?

Apply to the club secretary for membership. As there are currently vacancies, you will be invited to attend two (2) general meetings and one (1) club organised trip within 6 months, before paying any fees to gain membership.

This gives you the opportunity of trying out the club for **FREE** without having to pay any annual fees up front until you have completed the above meetings and outings. Then you will be invited to join the club.

How much will membership cost?

\$30 joining fee plus an annual fee set each year. It is currently \$30. **For this you will receive 2 van stickers, 2 name badges and a Club flag.**

What about meetings?

They are held at the East Gosford Progress Hall on the 3rd Sunday of each month except December. They could be classed as social events as the doors open at 11 am, people usually bring a packed lunch, a coffee mug and a small plate of food for afternoon tea and chat until the meeting starts at 1pm. Tea and coffee is provided, as well as the monthly magazine. Each month a raffle is held with a prize to the value of \$20. The prizes are donated by members in turn as listed in the newsletter.

What about trips?

At each meeting various members put details of proposed trips on the notice board. You can add your name to the list if you wish to attend, but should also let the leader of that particular trip know if you wish to cancel your booking. Trips vary greatly in the number of participants, the locations, whether touring or staying at one park, and the duration from a weekend to several months, but more commonly about one week.
